

Bar Bait

DESCRIPTION: Barbait-Bar Bait kills Norway & Roof Rats and House Mice

INGREDIENTS: Active Ingredient is Warfarin[3-(alpha-Acetylbenzyl)-4-hydroxycoumarin]-0.025%;
Inert Ingredients: 99.975% for total of 100.000%.

DIRECTIONS: READ LABEL and FOLLOW ALL USE DIRECTIONS and USE PRECAUTION. Store product not in use in a location out of reach of children and pets. Apply bait in locations out of reach of children, pets, domestic animals and non target wildlife, or in tamper-resistant bait stations. See Additional Instructions on label. Use restrictions; For control of Norway rats, Roof rats and House mice in and around homes, industrial and agricultural buildings, and similar man-made structures. Do not place bait in areas where there is a possibility of contaminating food or surfaces that come in direct contact with food. Do not broadcast bait. Determine areas where rats and/or mice will most likely find and consume the bait. Generally, these areas are along walls, by gnawed openings, in or beside burrows, in corners and concealed places between floors and walls, or in locations where rodents or their signs have been observed. Protect bait from rain or snow. Remove as much alternative food as possible. For Rats: Apply 4 to 16 ounces of bait per placement. Maintain an uninterrupted supply of fresh bait for at least 10 days. For Mice: Apply 1/4 to 1/2 ounce of bait at 8 to 12 foot intervals. Larger placements (up to 2 ounces) may be needed at points of very high mouse activity. Maintain an uninterrupted supply of fresh bait for at least 15 days. This 16-ounce bar may be broken or cut into five 3-1/5 ounce bars for rats. The 3-1/5 ounce bar may be broken or cut into six 1/2-ounce or twelve 1/4 ounce bars for mice. For Rats/ Mice: Replace contaminated or spoiled bait immediately. Collect and dispose of all dead animals and leftover bait properly. To prevent reinfestation, limit sources of rodent food, water and harborage as much as possible. If reinfestation does occur, repeat treatment. Where a continuous source of infestation is present, establish permanent bait stations, and replenish as needed.

STORAGE and Disposal: Do not contaminate water and food or feed by storage or disposal. Store only in original container in a dry place inaccessible to children and pets. Do not reuse empty container. Securely wrap in newspaper and discard in trash.

CAUTION:

WARNINGS: This product contains a chemical known to the State of California to cause birth defects or other reproductive harm. READ ALL LABEL INFORMATION BEFORE USING!!!!
