

Country Vet® Naturals for High Performance Dogs

Available in 35lb. (15.88kg) bags

If you've got an "Extreme Canine Athlete" we've got the natural formula to keep your dog at the top of his game. Country Vet® Naturals for High Performance Dogs is like "dog fuel" for highly active dogs. And, because we know you don't want corn, wheat or soy we made Country Vet® Naturals for High Performance Dogs without those fillers. What we did make was a highly digestible dog food that has 30% protein with 20% fat which creates a higher Kcal per cup added energy. Country Vet® Naturals for High Performance Dogs also contains Glucosamine and Chondroitin to support superior joint health, elevated levels of Prebiotics and Probiotics to support intestinal health and Omega 6 & Omega 3 for healthy skin and hair. Natural nutrition with a boost of energy for your canine athlete. To purchase online from our friends at VFC Distributing [click this link](#).
